Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Sunday 26 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy and misty to start, then sunny spells developing.

Today:
A rather dull and misty start with some patchy fog and perhaps the odd shower, but it should brighten up during the morning with some sunny spells developing. Feeling warm in the light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
Dry through the evening and much of the night with some clear spells. However, strengthening winds and outbreaks of locally heavy rain will reach western parts by morning. Minimum temperature 10 deg C (50 deg F).

Monday:
Windy conditions with outbreaks of locally heavy rain will clear away east in the morning, with sunny spells and the odd shower by afternoon. Feeling fresher than of late. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
Showers or longer spells of rain on Tuesday after a fine and dry start. Wednesday windy with rain or showers clearing east, then further rain spreading east later Thursday.
